

EHS Officer – Full Time (Inverness)

Salary Circa £30,000 to £35,000 (experience dependent)

Norbord Europe Ltd. is a well-established manufacturing company and we are looking for an experienced EHS Officer to join our Inverness team.

Reporting to the EHS Manager the post holder will be an analytical and problem-solving person, working in a supportive role to the Environmental Health & Safety Manager and the Inverness site.

Other duties will include, but are not limited to: Developing and co-ordinating the delivery of the Health and Safety training programme.; Working with other Norbord Europe sites to share best practices; Assisting in the development of systems which promote personal ownership of Safety; Gathering data, analysing and reporting on Industrial Hygiene parameters.

The successful candidate will be expected to establish new and develop existing Health and Safety systems to ensure compliance with relevant legislation as well as promoting the continuing evolution of our excellent safety culture.

We are looking for someone with experience in a Health, Safety and Environmental role or with a relevant qualification within this field. You will be a detail-oriented person who can gather, analyse and report on data and have strong communication skills. It would be advantageous if you held qualification in Health and Safety (NEBOSH or equivalent) and had an understanding of environmental regulation.

If you have the above experience and also strong time management, communication and collaboration skills, please send your current CV to emma.cattanach@norbord.net.
