

Production Operator (Temporary position)

Norbord Europe Ltd. is a well-established manufacturing company and we are looking for a Production Operator to join our Particleboard Team on a temporary basis which may lead to potential opportunities within the business.

Description

General worker who must be willing to be cross-trained and move to other areas when required and follow directions from Finishing end and Shift Managers. Ability to cover across 3 shifts (Days, Back & Night) and be willing to work a reasonable amount of overtime as required by business.

Duties and Responsibilities

- Carry out various tasks as required, including regrading stock, banding at finishing end, assisting on production lines when required. Driving forklift to move stock or load Production Lines (Full training will be given where required)
- Flexibility to work across shifts with additional hours required at planned Maintenance shutdowns across PB and MDF Business units
- Ensure all work is carried safely and follow health and safety protocols
- Keep work areas clean and organized
- Ensure that all EHS incidents are reported
- Ensure all colleagues work safely and follow health and safety protocols
- Follow the Permit to Work, SSoW, RA and isolation procedures as and when required

Skills, Knowledge & Attitudes/Behaviours

- Must fully consider Safety, Health & Environmental aspects during all activities
- Willing to be trained in other areas to aid flexibility as required
- Willing to work hard with a flexible approach to change tasks as required by the business
- Respond quickly to changes in day to day tasks
- Ensure that all tasks are completed to agreed quality and timescales
- Good communication skills

Additional Requirements

- Forklift Experience
- Previous production/manufacturing experience preferred.
- Basic PC Skills
